# and, EVEN More OPTIONS WITH BIGGER STUFF!

Walltalk's new BIGGER STUFF is just that, bigger! Larger fonts make it a very versatile piece you can use to creatively embellish a larger area. You can use it all as one large piece for a great focal point or cut it into increments (as shown on pg 14) for a specific area.

BIGGER STUFF makes a great big statement and the graphics also make a perfect "background" (in white) behind or scattered around one of our ORIGINAL quotes.
